## Professional Summary

Aspiring Web Developer with a strong foundation in front-end and back-end technologies. Passionate about creating interactive, efficient, and responsive web applications. Seeking opportunities to apply my technical skills and enhance my expertise through real-world projects.

## Education

**Dr. A.P.J Abdul Kalam Technical University** **Lucknow**
*Bachelor of Technology in Electronics and Communication* *Pre-final Year*

## Technical Skills

**Programming Languages**: C, C++, Python, JavaScript
**Web Technologies**: HTML, CSS, Bootstrap, React.js, Node.js, Express.js
**Databases**: MySQL, MongoDB
**Tools & Platforms**: Git, GitHub, Postman, Firebase, Linux

## Experience

Currently, I do not have professional work experience, but I am actively seeking internship opportunities to gain hands-on industry exposure. Open to work in Web Development roles where I can apply my skills and contribute effectively.

## Projects

***Fetch API Currency Converter***
Developed a web application using Fetch API for real-time currency conversion, enhancing financial accessibility and accuracy.

***Website Clone***
Recreated a popular website's frontend using HTML, CSS, and JavaScript to improve UI/UX understanding and responsiveness.

***Calculator using JavaScript***
Designed and implemented a fully functional calculator with JavaScript, ensuring dynamic interactions and smooth user experience.

***Weather App***
Built a weather forecasting application using OpenWeather API and JavaScript, displaying real-time weather updates.

## Certifications

**IBM**: Data Science Tools
**Postman**: API Fundamentals
**AlgoZenith**: Master C++

## Extracurricular Activities

**Vice Chair**: IEEE Women in Engineering (WiE), SRMCEM
**Hackathons**: Participated in multiple coding and hackathon events, securing top positions.
**Workshops**: Conducted technical workshops on web development and API integrations.

## Career Interests

Seeking internship and job opportunities in Web Development, Frontend Development, and Full-Stack Development.
